SUBJECT:— PAYMENT OF DISTRICT FUND QUOTA TOWARDS THE RENT OF VETERINARY DISPENSARY AT YEDATORE.

The Assistant Superintendent, Civil Veterinary Department, Mysore, stated in his letter No.348 dated 23rd July 1930, that the Veterinary Dispensary at Yedatore is at present located in a Public Works Department building on the road to Thippur (about 3 miles from the new town of Yedatore) and consequently the institution is not serving the required purpose. He further stated that one Mr.B.Ramachandra Rao who has constructed a house in the new town of Yedatore has offered to let it out for locating the Veterinary Dispensary on a monthly rent of Rs 10/- and requested the District Board to sanction their quota towards the payment of rent.

2. The matter was considered by the Standing Committee of the District Board at their meetings held on 20th September 1930, and the District Board on 22/23rd November 1930, ~~respectively~~ when it was resolved that the District Board quota of Rs 40/- per year be sanctioned. A copy of ~~the~~ their resolution is enclosed.

In this

3. In this connection it may be stated that Government in their order No.D.10303-34/G.A.I-2.- dated 31st March 1928 have ordered that half of the cost of Veterinary Dispensaries is to be met from State Fund and the other half being borne by the District Board and Municipal Council in equal proportions. Accordingly to this Government Order the District Board's quota payable will be ₹ 30/- per annum.

4. In the above circumstances, I have the honour to request that sanction of Government may kindly be obtained for the payment of District Fund quota of ₹ 30/- per annum towards the rent payable to Veterinary Dispensary at Yedatore. The cost will be arranged to be paid out of the probable savings out of the current year's budget allotment.

SIR,

Adverting to your letter No. L.179/L.B.31-30 dated 7th July 1931 regarding recovery of contribution towards the rent of Veterinary Dispensaries from local bodies, I have the honour to forward herewith for your information a copy of this office letter No. U.O. 11 of 30-31 dated 20th May 1931 to the Secretary to the Government, Development Department, furnishing my opinion in the matter.

Letter No. U.O.11 of 30-31 dated 20th May 1931 from the Director of Agriculture in Mysore, Bangalore to the Secretary to the Government of Mysore, Development Department, Bangalore.

In continuation of my D.O. No.(U.O) 11 dated 1-4-31 regarding proportion in which rents of Veterinary Hospitals and Dispensaries in the State should be borne by Government, the ~~District~~ District Boards and the Municipalities, I have the honour to state that the Superintendent, Civil Veterinary Department, reports that there is at present no uniform procedure among local bodies in this respect and that in the Tumkur District only one third of half the rent is being recovered from the Municipalities, while in the Shimoga District, the District Board and the Municipalities bear the charge in equal -- proportions.

Government Order No. D.10535-54/C.V.33-27-4 dated 1-3-28 seems to be clear that Government should pay half the rent in all cases and that the District Board should pay the other half when the Municipali is unable to make any contribution. When the Municipality is able to pay ¼ (one fourth) the cost is debitable to it and the other (one fourth) to the District Board.

As I believe it would be desirable to have a uniform procedure, I submit the matter for a definite ruling.
